#### for more, Really the percentage of car owners who complained about Chromine last year was so small that it virtually amounted to proof of Chromine's satisfactory performance.

We have just received an order from the Yellow Taxicab Co., of Philadelphia, for 12 100-gallon drams of Chromine, in liquid form, This is a wonderful testimonial for Chronine, in view of the fact that the Yellow Taxicab Co., used Chromine last winter in all of their cars. We can't think

of any more severe test for Chromine than to use it in taxicabs. We received an order this morning rom the U. S. Navy Yard at Brook-New London, Conn., for 84 cans of Chromine. This is the second lot

they have bought this season-and they used Chromine all last winter,

We also received an order today fro in the U.S. Navy Yard at Brooklyn, N. Y., for four 100-gallon drums of Chromine in liquid form. They used Chromine in their trucks last winter and apparently it gave good service,-(Signed) PYRENE MANEACTURING CO. Newark, New Jersey,

Chromine can be obtained through any automobile dealer, accessory dealer or garage. Insist on Chromine. It is harmless to radiators or circulating system.
